MOTORIZED LAMP BASE

Motorized Lamp Base
with 12/18K Bracket

Motorized Lamp Base
on a 36' Genie Lift

The Motorized lamp Base allows a lamp to be tilted, panned and focused via remote control from up to 100 feet away.

The unit can be mounted on either a Condor or a Genie Lift, allowing the use of large lamps in places not before accessible and eliminating the need for hands-on operation.

This unit is available to fit a variety of lamps.
